

# Magnetic Pocket Chart Squares

TEACHER RESOURCES

## DESCRIPTION

Beyond versatile! Use each of the four Pocket Charts alone, or connect vertically or horizontally with hook-and-loop fasteners to make a larger chart.

Simply hang these sturdy magnetic pockets on the classroom whiteboard or any metal surface for easy organisation.

## CLASSROOM USE

- Ideal for small groups, focused learning centres or combined whole-group displays and more
- Features five rows of clear pockets for your own cards
- Hangs with grommets and magnets on any magnetic surface or chart holder
